

RCN Northern Ireland Cervical Cytology Update

For registered nurses working in a GP Practice

Virtual
18 May
10am-12:30pm
Zoom

Or

In person
23 June
10:30am-1pm
Dunadry Hotel

This is a 3 yearly update for those who have successfully completed the Cervical Screening course. It will provide up to date information for registered nurses currently undertaking cervical screening in primary care and enhance their knowledge and skills, thus improving patient safety and experience.

**These updates are funded by
the Department of Health**

To book and secure your place on **one of these dates**, please book online using the relevant link below:
